ABOUT ME

Aspiring Data Analyst and Machine Learning Enthusiast currently pursuing B.Tech in Computer Science (AI & ML). Strong foundation in Python, data analysis, and machine learning with hands-on experience in building real-world projects such as sentiment analysis systems and flood prediction models. Seeking internship opportunities to apply analytical, problem-solving, and data-driven decision-making skills.

EDUCATION

B.TECH CSE with Specialization in AI& ML	2023 - 2027(Present)
ITM University ,Gwalior	
Senior Secondary School (PCM)	2020 - 2022
Kakatiya Public School, Visakhapatnam	
Secondary School	2018 - 2020
A.S.R Public School, Visakhapatnam	

PROJECTS

AI-Based Sentiment Analysis System [GITHUB](#)

- Built a multi-model **NLP app (VADER + RoBERTa + DistilBERT)** with **ensemble scoring**, **negation handling**, and **7-class emotion analysis**.
- Developed thread-safe **SQLite backend** with **CRUD**, **CSV/JSON** export, and **real-time Matplotlib visualizations**.
- Implemented scalable batch processing with **async multi-threading** and **live progress tracking**.
- Applied advanced NLP preprocessing: **emoji mapping**, **slang normalization**, **negation detection**, and **POS-based** aspect extraction.

Urban Flood Early Warning System [GITHUB](#)

- Built an **LSTM-based flood risk prediction system** (Low/Medium/High) trained on 16 years of data with 11 engineered features including monsoon-specific patterns.
- Automated real-time data collection from **3 open APIs** (Open-Meteo, GloFAS) — rainfall, river discharge, soil moisture — with zero manual input.
- Deployed as a **Flask REST API + web dashboard** with auto GPS location detection, 30-min refresh, and real-time SMS/email alerts.

SKILLS

Programming Languages :	Python , Java , C , C++
Web Development:	HTML , CSS , JavaScript
Libraries :	NumPy , Pandas , Matplotlib , Scikit- Learn , TensorFlow , PyTorch
Databases :	MySQL , MongoDB
Tools :	Visual Code , Spyder , Google Collab ,Git & GitHub
Visualization Tools :	MS Excel , Tableau , Power BI

ACHIEVEMENTS & CERTIFICATES

- Received **NPTEL Silver Certificate** for **Fundamental Algorithms : Design and Analysis** by **IIT Kharagpur**
- Completed **Virtual Certification of Data Structure and Algorithms in C** from **Edu-Skills** Successfully
- Completed **AWS Academy Training Badge of Cloud Foundation & Generative AI**
- Received **IEEE & SIH Qualifier Round Certification** for Technical Proficiency
- Workshop of **Data Analytics** from **EdSlash**
